## PROFILE

---

Product-focused **UI/UX Designer** with 6+ years of experience in web, mobile, and AI-driven platforms. Skilled in design systems, user research, and cross-functional collaboration, balancing **user needs, business goals, and technical constraints**.

Currently designing an **AI platform for finance professionals**, working closely with stakeholders and developers while leading the design system and guiding the team.

## SKILLS

---

**Design & Research:** User Interviews, Usability Testing, Information Architecture, Wireframing, Prototyping, User -Centered Design.

**Tools & Software:** Figma, Adobe XD, Miro, Framer, ProtoPie, Illustrator, HTML/CSS (Basic)

**Other Skills:** Design Systems, Market Research, Data Analysis, AutoCAD, SolidWorks

## PROFESSIONAL EXPERIENCE

---

### UI/UX Developer

02/2025 – present

*FutureView Systems*

- Leading design for an AI platform for finance professionals, simplifying complex workflows.
- Designed and launched key AI-driven features that improved user efficiency.
- Built and maintained a scalable design system for consistency across teams.
- Collaborated with stakeholders and developers to balance user needs, business goals, and technical constraints.
- Mentored junior designers and guided design best practices.

### UX Designer

09/2022 – 01/2025

*Blumetra Solutions Pvt Ltd*

- Built and maintained a design system used across multiple platforms.
- Redesigned a data web app (business & validation processes) to improve usability and task flow.
- Contributed to design solutions for both internal and external products.
- Delivered prototypes and UI specs for smooth developer handoff.

### UI/UX Designer

05/2021 – 09/2022

*Connect Your Need*

- Built a design system in Figma to streamline workflows and ensure consistency.
- Designed and improved B2C product features, enhancing user engagement.
- Participated in user interviews and usability testing to gather insights.
- Responsible for maintaining designs across iOS and Android.

### UI/UX Designer

04/2020 – 05/2021

*MEMO*

- Designed and launched the company website, improving visitor engagement and brand presence.
- Participated (*Observer*) in usability testing and applied feedback to enhance user experience.
- Collaborated on a secure SaaS memory rehabilitation platform for clinicians and participants.
- Designed UX for self-learning modules, video sessions, and game-based exercises.

### CAD Designer/UI Designer

04/2018 – 04/2020

*Rudra Labs*

- Designed and prototyped a smart IoT-enabled water bottle using AutoCAD and SolidWorks.

- Created 3D printed models and conducted testing to validate functionality and durability.
- Collaborated with engineers to refine prototypes and improve overall product design.
- Conducted continuity testing on the smart water bottle, achieving expected results in battery performance and seamless app connectivity.

## EDUCATION

---

### **B.Tech in Mechanical Engineering**

2013 – 2016

*Thandra Paparaya Institute Of Science & Technology*

### **Diploma in Mechanical Engineering**

2010 – 2013

*Thandra Paparaya Polytechnic College*
